

Expanding Suicide Prevention Care to Veterans: **Community Roundtable**

You are invited to join **Madison VA** leadership the **first Wednesday of each month at noon** to learn more about free emergency suicide care for Veterans and how it impacts your Veteran patients, your staff and your facility.

What will be discussed:

- Overview of COMPACT Act legislation that authorizes free emergency suicide care to eligible Veterans.
- How do Veterans benefit from this expanded eligibility?
- What do you and your staff need to know when a Veteran experiencing an acute suicidal crisis presents at your facility?
- Is there a documented claims process for community facilities that care for Veterans experiencing an emergent suicidal crisis?
- Are Veterans covered by VA for free emergency suicide care?
- How is suicidal crisis-related care different than other emergency care?

Join us and learn more about free emergency suicidal care for Veterans.
