Highway Cleanup – May 2nd

Join us for our spring Highway Cleanup on Cottage Grove Rd, BB, covering 1.4 miles between Sprecher Road and Vilas Hope Road. This effort should take about 3-4 hours, and we hope to split into four segments to make it efficient!

Details:

Meeting Point: VFW 7591 at 8:30 AM – start with coffee and donuts, then we'll grab our gear and carpool to the highway cleanup location

Parking: Park at the Cemetery (we may have additional parking, that is still TBD)

What to Bring: Grabber tools and gloves if you have them

Safety: We'll have vests and flags to ensure visibility, also bags and some gloves will be provided

Post-Cleanup Gathering: Join us at VFW 7591 for food and drinks afterward!

Thanks for helping us keep our community clean!
